

Annex I  
To the Agreement Between the Department of  
Energy of the United States of America and the  
Ministry of Energy and Infrastructure of  
Israel in Energy Research and Development

WHEREAS, the Department of Energy of the United States of America (hereinafter referred to as "DOE") and the Ministry of Energy and Infrastructure of Israel (hereinafter referred to as "MOEI") have entered into an Agreement in Energy Research and Development signed in Jerusalem, on June 3, 1984 (hereinafter referred to as the "Agreement"); and

WHEREAS, DOE and MOEI (hereinafter referred to as the "Parties") recognize that ongoing projects in energy research and development are of mutual interest to both countries;

Therefore, the Parties agree as follows:

Article 1

DOE currently has contracts concerning the following projects with entities in Israel:

1. Ternary Adamantine Materials for Low-Cost Solar Cells, Contract Number EG-77-C-01-4042, IL-4-04051-1.
2. High Efficient Thin Film Cadmium Chalcogenide Photo-electrochemical Cell with In Situ Storage, Contract Number EG-77-C-01-04042, XS-0-9010-11.
3. Absorption Heat Pump Simulation and Studies, Contract Number 19X-43337V.
4. Research on Fabrication and Characterization of Amorphous Silicon Films and Devices. (Contract number to be added.)

\*<sup>1</sup> P.G

Article 2

All terms and conditions of the contracts listed in Article 1 shall continue in full force and effect.

Article 3

During its annual meetings, the Joint DOE/MOEI Coordinating Committee established by the Agreement shall review the status of cooperation under the aforementioned contracts.

Article 4

This Annex shall enter into force upon signature of both Parties, shall continue in force for a five-year period, and may be amended or extended by mutual written agreement of the Parties.

Article 5

This Annex may be terminated at any time at the discretion of either Party, upon one year's advance notification in writing by the Party seeking to terminate this Annex. Termination of this Annex shall not affect existing obligations under the contracts listed in Article 1.
